Georgian Good Food Box Board of Directors

2025-07-04

The Georgian Good Food Box Is Calling on You!

The Georgian Good Food Box is a not-for-profit food purchasing club that promotes good nutrition across the Clearview, Collingwood, and Wasaga Beach communities.

For over 20 years, the Georgian Good Food Box has been a mainstay in the communities of Clearview, Collingwood and Wasaga Beach, distributing fresh, affordable produce to our customers each month.

We rely 100% on volunteers to operate our program and we've reached the point on our Board of Directors where too few are doing too much work. We need new faces and fresh perspectives to ensure that the Good Food Box Program survives and thrives.

If you have treasury and finance skills, note-taking and report writing skills, or general governance and committee skills, we encourage you to inquire how you might become a member of our Board.

The future of the Good Food Box Program depends upon participation of passionate volunteers!

For more information about the GGFB Program, please visit our website at www.ggfb.ca; If you have specific questions about becoming a Board member, email us at: gfoodbox@gmail.com, or speak with a board member at one of our pack sites.

We welcome all inquiries!
